

# Rhythm Composition 2

1. Imagine how your patterns will look and sound like.
2. Plan where to put the notes and rests. Use the following notation:  

3. Draw four beats of notation in  $\frac{4}{4}$  boxes and three beats in  $\frac{3}{4}$  boxes.
4. Evaluate and improve your rhythm composition, if necessary.
5. Know how to present (clap, snap) your own patterns.
